Instructions for Filing Your Application for Extension

This information is issued under P.A. 301 of 1939, 281 of 1967 and 228 of 1975. Filing of this form is mandatory for single business tax filers to obtain an extension. Income tax filers may file a copy of their federal extension instead.

Income Tax (individual and fiduciary). An extension of time to file the federal return automatically extends the due date of the Michigan return the same length of time. An extension of time to file is **not** an extension of time to pay. If at the time the extension is filed, you determine additional Michigan income tax is due, pay the amount due on this form or on a copy of the federal extension. If no tax is due, it is not necessary to send an extension form to Michigan by April 15 (the copy of the federal extension attached to your return will be sufficient). Attach a copy of all federal and Michigan extensions to the MI-1040 or MI-1041 when it is filed.

Single Business Tax filers must use this form to request an extension and must file it even if the IRS has approved your federal extension. If this form is received with a copy of your federal extension by the due date of your annual return, Treasury will grant you the same length of time as the federal extension plus 60 days. If this form is received without the federal extension, we will grant a 180-day extension.

An extension of time to file is **not** an extension of time to pay. You must include an estimated tax payment with this form, **or** you must have made appropriate estimated tax payments during the year. Extension requests received without payment on the account **will not be honored** and penalty and interest will accrue on the unpaid tax from the original due date of the return. Penalty and interest for late filing is only charged if tax will be due on the SBT annual return. If no tax will be due on the SBT annual return, you do not need to request an extension to avoid penalty and interest.

PART 1: Identification

Lines not listed are explained on the form.

Line 1. File a separate application for each tax type. Check the box next to the tax this application is for. Partnerships and S-corporations filing composite income tax returns (for nonresident partners and shareholders respectively), should check the "Fiduciary Return" box.

Lines 2 and 3. Single business tax and fiduciary filers must enter their federal employer identification number (FEIN) on line 2. Income tax filers must enter their Social Security number on line 3. Do **not** complete both lines 2 and 3.

Line 4. Print or type your mailing address. Income tax and fiduciary filers will **not** receive a response if their extensions are approved. Single business tax filers will receive a written response at the legal address on file with Treasury.

Line 5. Enter taxpayer's name and address only if it is different from the mailing address listed on line 4.

PART 2: Computation and Payment of Tax Due

You must estimate your tax liability for the year and pay any unpaid portion of the estimate with your application for extension. The application and payment must be postmarked on or before the original due date of your return.

If you underestimate your tax due and do not pay enough with your application for extension, you must pay interest on the unpaid amount. Compute interest from the due date of the annual return. The interest rate is 1 percent above prime rate and is adjusted on July 1 and January 1. Interest is charged from April 15 (or the due date of the return) to the date you pay the rest of the tax.

Any one of the following penalties may also apply to the unpaid tax:

- 5 percent per month to a maximum of 50 percent for failure to pay;
- 10 percent for negligence;
- 25 percent for intentional disregard of the law.

Line 7. Payments made to date include quarterly payments, a credit forward from the previous tax year and any other payments previously made for this tax year. Individual income tax filers should include any Michigan withholding.

PART 3: Extension Request

Line 13. For **individual and fiduciary income tax**, if the extension will extend the filing period of a Michigan return beyond the federal extension, attach a copy of the approved federal extension. **Single business tax** filers must check the box and attach a copy of the federal extension application.

Line 15. Check the box if Treasury has already granted you an extension for this tax year. If you need more time, submit a new application with a copy of the original application before the original extension expires.

Mail to the address on the front of the form.
